

THE NORTHWEST
SEAPORT ALLIANCE

Terminal 5 Improvements

PUBLIC SCOPING MEETING

The Northwest Seaport Alliance is proposing modifications to the existing marine cargo facilities at Terminal 5 and is preparing an environmental impact statement (EIS). The study will evaluate potential impacts to: Earth, Air, Water, Plants, Animals, Energy and Natural Resources, Environmental Health, Noise, Aesthetics (including light and glare), Historic and Cultural Resources, Transportation, and Public Services.

Join us at the public meeting to learn more and share your comments.

Thursday, November 12

5:30 – 8:30 pm

The Hall at Fautleroy

9131 SW California Ave, Seattle, WA 98136

Light refreshments

Public comments as part of the scoping process are being sought until Monday, November 23, 2015. For tips on commenting, visit the Washington State Department of Ecology's Citizen's Guide to SEPA Review and Commenting. Public comments will be included on the SEPA record and may result in corrections, additions, or clarification in the Draft EIS.

For more information and to comment online, visit the Online Open House at

www.T5EIS.publicmeeting.info. Comments also can be E-mailed to: SEPA.p@portseattle.org

(please include your mailing address).
